

RURAL LIFESTYLES ALLIANCE [RLA]

The RLA was established as a lobbying arm of the United Gamefowl Breeders Assoc. (UGBA) to represent the gamefowl community in Washington D.C. Currently we are gearing up to make changes in the Spectator Amendment to the Farm Bill that comes up for renewal in 2018.

In order to retain the professional help that is required we need all of the gamefowl community to pitch in and contribute whatever you can.

Make check or money order payable to RLA and mail to:
